From the
United States Government

The act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is only given when it is not the same as the address stated in the claim of copyright.

Under the act of March 4, 1909, copyright initiates upon publication with notice. The preliminary entry of title ceases and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication; and "2 c.," for 2 copies, followed by date of their receipt.

A list of the copyright renewals and extensions made for periodicals under section 24 of the act of March 4, 1909, will be found at the end of this issue, immediately following the text.

Because of the shortage in print paper, the indexes heretofore accompanying the first three issues for each year will be omitted. The fourth number, completing the volume, will have a full annual index to both titles and proprietors. The subscription price must be for the complete calendar year, and for Part 2 (Periodicals) is $0.50, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

The act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is only given when it is not the same as the address stated in the claim of copyright.

Under the act of March 4, 1909, copyright initiates upon publication with notice. The preliminary entry of title ceases and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication; and "2 c.," for 2 copies, followed by date of their receipt.

A list of the copyright renewals and extensions made for periodicals under section 24 of the act of March 4, 1909, will be found at the end of this issue, immediately following the text.

Because of the shortage in print paper, the indexes heretofore accompanying the first three issues for each year will be omitted. The fourth number, completing the volume, will have a full annual index to both titles and proprietors. The subscription price must be for the complete calendar year, and for Part 2 (Periodicals) is $0.50, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

From the
United States Government

The act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 2, containing the entries for periodicals, including newspapers, is issued quarterly. The entries are arranged alphabetically by titles. The place of publication is only given when it is not the same as the address stated in the claim of copyright.

Under the act of March 4, 1909, copyright initiates upon publication with notice. The preliminary entry of title ceases and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "B," Class B, Periodicals; "©" stands for copyright registration, followed by date of publication; and "2 c.," for 2 copies, followed by date of their receipt.

A list of the copyright renewals and extensions made for periodicals under section 24 of the act of March 4, 1909, will be found at the end of this issue, immediately following the text.

Because of the shortage in print paper, the indexes heretofore accompanying the first three issues for each year will be omitted. The fourth number, completing the volume, will have a full annual index to both titles and proprietors. The subscription price must be for the complete calendar year, and for Part 2 (Periodicals) is $0.50, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.
